COMMISSION STAFF'S NOTICE OF
CHANGE IN PROCEDURAL SCHEDULE

On May 26, 2005, DTE Wickliffe, LLC ("DTE") requested an extension until June 30, 2005 to respond to data requests. DTE states that the intervenors have no objection to the extension. DTE further states that it supports granting intervenors a similar extension of time in which to file their direct testimony.

The Board finds that a 30-day extension would be appropriate in both instances. Accordingly, DTE's responses to data requests should be filed on or before June 27, 2005, and intervenors' direct testimony should be filed on or before July 6, 2005.
